**Subject:** Motion Hearing date Request For Default Judgement.

### **CAUTION - EXTERNAL:**

Dear Deputy Clerk Chung

Please appoint me a date for my motion for default to be heard. It has been 45 days since served the Defendants. They have not answered my case nor have any of them had any of their representatives sign onto the case and contact me. I have no choice but to represent myself in the instant case as the lawyers have tampered with and bribed the lawyers that I previously hired.

I do not qualify for public Counsel or Legal aid as I am Suing Lawyers.

The law states they must answer my complaint within 30 days of service or I may file for default judgement on the 31st day. It is now day 45. The only correspondence that I have received from the Lawyers is that they allege that my communications with the lawyers in this case and Law enforcement is "Defamatory" and it is not.

This Egregious litigation situation began in 2014 so it is not a day too early for my Default Judgement. The "lawyers" still refuse to serve me the 765 docket entries on the case in The Orange County Court where I am the defendant in a 100 million dollar lawsuit filed by the "Lawyers".

The "lawyers" refuse to serve me in the San Mateo Case where I am the Plaintiff.

The "lawyers" refuse to serve me in the instant case in the Los Angeles District Court and gave me zero notice of any hearings or pleadings that have been signed By Honorable Justice Steve Kim.

Please appoint me the soonest possible hearing date for my motion for default Judgement to be heard/granted.

Thank You  
Amber Doe
